PROFILE

Motivated and detail-oriented Civil Engineering undergraduate at General Sir John Kotelawela Defence University, with hands-on exposure to structural analysis, surveying, and design software gained through academic projects and competitions. Possesses a solid foundation in engineering principles, complemented by strong analytical, problem-solving and teamwork skills developed through active participation in professional societies and extracurricular activities. Eager to secure an internship placement to apply theoretical knowledge to practical engineering challenges while contributing positively to a professional engineering environment.

PERSONAL INFORMATION

Nationality: Sri Lankan
Civil Status: Single
Age: 24 Years

TECHNICAL COMPETENCIES

- AutoCAD
- SolidWorks
- LaTeX
- MATLAB
- SAP2000
- ABAQUS
- Python
- MS Excel & MS Office

PERSONAL SKILLS

- Presentation & Reporting
- Decision Making & Adaptability
- Problem Solving & Teamwork
- Leadership & Analytical Thinking
- Emotional Intelligence
- Critical Thinking

EDUCATION

Bachelor of Science (Hons) Engineering in Civil Engineering

General Sir John Kotelawela Defence University

2024 – Present

PROJECT EXPERIENCE

- Survey Camp** - SLNS Vidura Naval Base (2025)
- Spaghetti Bridge Competition** - General Sir John Kotelawela Defence University (KDU) (2024)
- Floating City Competition** - NSBM Green University (2025)
- Vertical Wind Turbine Project** - Fluid Mechanics Module (2024)
- Highway Design Project** - Highway Engineering Module (2026)

PROFESSIONAL MEMBERSHIP

- Student Member, American Society of Civil Engineers (ASCE)
- Student Member, Institution of Civil Engineers (ICE), UK
- Student Member, Institution of Structural Engineers (IStructE)

CERTIFICATIONS (CPD)

- **AutoCAD Workshop** — Highway Engineering Society of KDU (2025)
- **Floating City Design Competition** — ASCE Student Chapter of NSBM Green University (2025)
- **Design of High-Rise Buildings Course** — Structural Design Institute (2026)
- **Applied Machine Learning in Civil Engineering** — University of Moratuwa (2026)
- **Basics of Engineering Management** — Alison (2026)
- **Site Management Safety Training Scheme (SMSTS)** — Alison (2026)
- **Fundamental of MATLAB (Self-Paced Training)** – Math works (2024)
- **Smarter, Stronger, Greener, A system level approach to AI enabled energy infrastructure** – gapHQ & Engineers Without Borders Sri Lanka (2026)
- **Behaviour of Ductile Detailing & Implementation Difficulties** – Department of Civil Engineering SSN – ICI Student Chapter (India) (2026)
- **Introduction to Prestressed concrete design** – ICE – UK (SLAICE) (2026)
- **Introduction to Highway design** – ICE – UK (SLAICE) (2025)
- **Discover how structures withstand and extremes** – International Association of Protective Structures (IAPS) SL Chapter & gapHQ (2026)
- **Accelerating manuscript preparation using AI** – International Association of Protective Structures (IAPS) SL Chapter & gapHQ (2026)
- **AI in Construction Technology** – SDI (2025)
- **Pre-Cast Housing Solutions – Including Immediate Response for Disasters** – SDI (2026)
- **Humanitarian Engineering, Building a Better World** - gapHQ & Engineers Without Borders Sri Lanka (2026)
- **Research Into Words; Writing Clear and Effective Abstracts** - gapHQ & Engineers Without Borders Sri Lanka (2026)

EXTRA-CURRICULAR ACTIVITIES

- Executive Member, Mathematical Society of KDU (2025)
- Member, Highway Engineering Society
- Member, Civil Engineering Society
- Volunteer Member, Students for the Exploration and Development of Space (SEDS)
- Member, Engineering Student Society

REFERENCE

**Eng.KM. Vignarajah, BSc (Eng) Honours (UOP),
MSc in Civil Engineering (Texas Tech, USA),
M. Phil (UOP)**

Senior Lecturer Gr I,
Department of Civil Engineering,
Faculty of Engineering,
General Sir John Kotelawala Defence University.
